2020 CIT
Family Handbook

CAMP
WALT WHITMAN
EST. 1948

Dear Walt Whitman Parents,

Welcome back to another summer at Camp Walt Whitman. We are thrilled that your child is joining us this summer as a CIT. The CIT summer at CWW is a unique experience. It is one that year after year our CITs describe as the best summer they have ever had. There's a good reason for this: our CITs are appropriately challenged, provided a great deal of responsibility, have opportunities to positively impact the experience of today's campers, are exposed to aspects of camp they were never aware of before, receive positive and effective training to help them improve their skills and get to have a lot of fun throughout the process.

We believe our CITs play an integral role in camp's ongoing success. No one knows more about our history and our traditions than our CITs and they take it upon themselves to pass this knowledge to today's young campers. Our best CITs help young campers fall in love with Camp Walt Whitman the same way they have.

Because the CIT experience is different from what you have experienced previously as a parent, we have created this CIT Parent Handbook. We hope you will take the time to read through it as it will answer many of the questions you may have about the CIT program.

As always, please reach out to us with any questions or concerns. We're looking forward to a great summer!

Sincerely,

Carolyn & Ted

CIT Behavior Contract Inside Back Cover

SUMMER 2020 CALENDAR

Wednesday, May 1 All forms must be submitted

Saturday, June 20 – Wednesday, June 24 CIT arrival by parent drop-off for staff orientation

Saturday, June 27 First day of camp (CIT arrival for those coming on camper bus)

Tuesday, July 7 – Thursday, July 16 CIT trip to Hawaii

Friday, July 24 – Saturday, July 25 CIT Visiting Days

Saturday, August 15 Last day of camp

CAMPER TRAVEL TO AND FROM CAMP

Please fill out the online transportation form for your camper's travel to and from camp by **May 1st**.

ORIENTATION WEEK:

For those CITs who can join us for our week of staff training, June 20 to June 27, it is a great opportunity for CITs to acclimate to their new responsibilities at camp, get to know the rest of the staff and learn the child management skills and techniques we teach our staff. That said, due to the school calendar, most of our CITs are unable to attend staff orientation (usually about 25% attend) and we therefore run a specific CIT orientation during the first three days of camp. For CITs who can't arrive on the 20th but can make it to camp by Wednesday, June 24, the experience is still worthwhile; after Wednesday it makes the most sense for CITs to ride the bus up to camp with the rest of our campers on Saturday, June 27. We do not provide transportation to camp for orientation week; if bringing your child to camp is prohibitive, please contact us about train and bus options.

CHARTERED BUSES ON JUNE 27

If your CIT cannot join us for orientation week, please have him/her take our chartered coach bus to camp. Buses leave from:

- New York – The Centre at Purchase, Manhattanville Road, Purchase, NY
- Connecticut – McDonald's in Fairfield, CT on I95
- Massachusetts – McDonald's in Lexington, MA on Route 128 Northbound

CAMPER PICK-UP

If you would like to pick up your child on Saturday, August 15, please plan on arriving between 9:45 and 10:30am. Our charter buses will block entry to camp until 9:30am. We do not have adequate supervision available for children after 10:30am.

AIR TRAVEL

We offer chaperoned flights from Southern Florida and Los Angeles, California. We will notify you by mid-February as to which flights our chaperones will be on.

Campers traveling by air to and from places other than Florida and California should reserve flights that are scheduled to arrive at Logan Airport in Boston or Manchester Regional Airport in Manchester, NH on **June 27** between 1:00 and 3:00pm and that depart Logan or Manchester on **August 15** between 2:00 and 4:00pm. Walt Whitman representatives will greet arriving campers at the airport and escort them to the airport for their departing flights. **Please check with our office before any flight reservations are made.**

Because of space limitations, the logistics involved and airport regulations, we require that duffels be shipped directly to and from camp. Only a small travel bag or pack frame can be accommodated on the vans that we use to take campers between the airport and camp. Bags must be shipped to and from camp using R&B Shipping, our shipping provider.

REQUIRED FORMS

Forms will be available in CampInTouch in February. At that time, we will send you an email detailing how to complete the forms.

TRANSPORTATION FORM:

Please fill out the transportation form for your camper's travel to and from camp.

HEALTH FORMS:

The various required health forms include Camper Health History, Camper Medical, Immunization and Parent Authorization/Medical Insurance Card forms.

CIT BEHAVIOR CONTRACT:

Please review this contract with your child and make sure you both sign it.

BAGGAGE INFORMATION

R&B CAMP BAGGAGE • 603-536-2197

www.rbcampbaggage.com

Those CITs who are being dropped off at camp by their parents can bring their baggage with them in their car and sign up with R&B Baggage for one-way delivery home at the end of the summer. All other families should utilize R&B Baggage as they have done in the past. Please register with R&B online at www.rbcampbaggage.com.

CORRESPONDENCE TO AND FROM CAMP

MAIL TO CAMP

You are welcome to send postal mail to your CIT as you have done in the past by mailing envelopes to:

Your Child's Name (CIT) Camp Walt Whitman 1000 Cape Moonshine Road Piermont, NH 03779

Remember, CITs are allowed to have their phones with them at camp and utilize them in our staff lounge using WiFi. Therefore, you should be able to easily email and text with your child. CIT phones are only to be utilized in our staff lounge or when CITs are out of camp as we still have no cell service at CWW.

HEALTH INFORMATION

We are fortunate to have a capable medical staff including a full time resident doctor, six nurses, one athletic trainer, and a health care assistant. They all work hard to provide excellent camper and staff medical care and to be responsive to parent inquiries and concerns.

COMMUNICATION ABOUT HEALTH ISSUES

Serving our very active campers and staff is hard work. We understand the importance of keeping you informed about health issues affecting your child. Our medical staff follows the guidelines below and responds to you as quickly as time allows:

1. We generally will not contact you if your child is seen in the Health Center for routine problems, i.e. minor skin abrasions, headache, cold, etc.
2. If your child is put on antibiotics or kept in the Health Center overnight, a member of our nursing staff will call you. **The phone numbers you provide on your child's Health Form will be used to contact you.**
3. If your child has a medical emergency, we will contact you immediately by phone.

REQUIRED HEALTH FORMS

Please understand that we cannot permit a child to participate in activities unless we have completed health forms, including a current health history and physician's examination on file at camp. This helps us to ensure the best quality health care and is for the well-being of your child.

CAMPER HEALTH HISTORY FORM

Parents must complete and submit the online Health History form by **May, 1**. The information required is essential to meeting the possible medical needs of your child. We are required to have this form updated and signed (electronically) every year.

CAMPER MEDICAL FORM

This PDF form must be printed to be completed, signed by your child's physician, and then uploaded to CampInTouch. The annual physical examination form generated by your pediatrician's office is also acceptable. Documentation of a physical exam performed **after August 15, 2019** is required. **There is no need to send in an outdated form; if your child's check-up is late Spring, you may submit the paperwork after the visit to the doctor.**

IMMUNIZATION FORM

This form must be printed and uploaded to CampInTouch. Alternatively, we can also accept the immunization history form provided by your pediatrician's office.

PARENT AUTHORIZATION & INSURANCE CARD

This form must be printed, signed, and uploaded to CampInTouch in order to authorize emergency treatment to your child. Copies of the front and back of your insurance card(s) should be attached. Please remember to **SIGN THIS FORM.**

MEDICAL CHARGES

The camp tuition covers all medical services provided in camp. All medical bills from providers outside of camp will be sent directly to you by the provider to be paid by you or your health insurer.

MEDICATIONS

PRESCRIPTION AND NON-PRESCRIPTION MEDICATIONS

In order to ensure that our medical staff administers all medication sent to camp in the safest, most efficient manner, we work with **CampMeds** to prepackage all camper medications. This helps to ensure that every camper gets the correct medication and dosage at the right time on the correct day.

- All **daily** medications in **pill form**, whether prescription or over-the-counter, must go through CampMeds.
- All medication that is taken **as needed** can be mailed to camp to Carolyn's attention. It should arrive between June 10 – June 20. This allows our healthcare staff enough time to prepare for your child's arrival.

Additional and more detailed information will be sent in a separate mailing in the Spring.

If a camper requires prescription medication from a pharmacy during the summer, the charge will be made to your medical insurance carrier. You will be billed for any deductibles greater than \$20.00.

If your child uses an inhaler or epi-pen, please send two, one for us to keep in the Health Center and one packed to go out on trips.

OVER-THE-COUNTER MEDICATIONS

Our Health Center stocks basic over-the-counter antibiotics and drugs. The following is a partial list of items we stock in the Health Center. Please do not send any of these items with your camper:

- **FIRST AID:**
Ace wraps or any type of band-aids, Bacitracin and/or any type of antibiotic ointment
- **PAIN MEDICATIONS/MUSCLE RELIEF/ ANTI-NAUSEA:**
Ibuprofen and Acetaminophen (pills and liquid), Aleve, Midol, Mineral Ice, Dramamine
- **COUGH/COLD:**
Sudafed, Robitussin, Robitussin DM, Delsym, Cough drops, Chlorospetic, non-pseudo nasal decongestant
- **ALLERGY:**
Claritin, Zyrtec, Benadryl (pills and liquid)
- **CREAMS/LOTIONS/SPRAYS:**
Benadryl, Lotrimin Ultra, Calamine, Caladryl, Hydrocortisone 1%, Gold Bond, Athlete's Foot Cream and Spray, Aloe Gel Sunburn Cream
- **GI HEALTH:**
Tums, Mylanta, Chewable Imodium, Lactaid, Fiber Pills, Metamucil
- **EYES/EARS/NOSE:**
Visine, Clear Eyes, swimmer's ear drops, wax removal ear drops, saline spray
- **ASTHMA MEDICATIONS:**
Albuterol solution and nebulizer

OTHER HEALTH CONCERNS

LYME DISEASE

All of us who live in the Northeast have a heightened concern and awareness of Lyme disease. Our doctors and nurses are trained and educated on the symptoms, tests and medications for the disease. We will contact you immediately should your child present any symptoms.

HEAD LICE

Head lice have reappeared over the past few years in schools and camps across the U.S. Self contained communities like camps are especially vulnerable and must be vigilant to control this problem. To combat head lice, we contract the services of an experienced company to check all campers on the first night of camp.

If any positive cases of lice are found, they will treat the camper on-site. For campers who arrive with lice, the camper's parent will be billed \$375 for this treatment. We will begin treatment immediately so that campers can stay in their cabins on the first night of camp. During the last week of camp, the lice company will return for a final inspection. Any camper found to have lice will be treated at the camp's expense.

We are committed to doing all we can to keep lice out of our community. We encourage you to have your child checked for head lice by a school nurse or pediatrician prior to camp. If any sign of head lice is found, arrange for appropriate and immediate treatment well BEFORE your child leaves for camp and let us know that such treatment has taken place.

CLOTHING AND GEAR

CIT PACKING LIST

The CIT packing list is basically our standard camp packing list. CITs will still want to have their hiking boots, tennis rackets and baseball/softball gloves as they will participate when their assigned cabin has these activities on their schedule. The only difference in regard to packing is that because CITs have nights out and days off during the week, some CITs like to have some “non-camp” clothes for when they go into the “real world”. Anything brought to camp for this purpose should still be casual clothing as it will be cleaned by our commercial laundry service.

A few things to note about CIT needs:

1. CITs do not need to purchase our green t-shirts from Camp Spot
2. While CITs will not require a framepack, they should bring a backpack (a standard school backpack is fine).
3. In camp, our CITs are required to wear 1 piece bathing suits. If a CIT wants to wear a two-piece suit when out of camp on the Hawaii trip, this will be permitted.
4. Additionally, CITs are welcome to bring their cell phone to camp which they can utilize in the evenings in our staff lounge for internet service as well as on their nights out and days off.

CLOTHING

- 1 pair hiking boots - please break in before camp **(required)**
- 1 water-repellant rain jacket **(required)**
- 8-10 pairs shorts (at least 6 pairs athletic)
- 3 long-sleeved t-shirts
- 2 sweat shirts
- 1 fleece
- 10 T-shirts
- 2 “climate control” T-shirts (not cotton, i.e. Under Armour, Gore-tex, synthetic, breathable) for hiking
- 2-3 pairs long pants
- 2-3 pairs pajamas
- 12 pair underwear
- 12 pairs athletic socks (1 pair of hiking socks)
- 3-4 bathing suits*

Toilet Articles:

(label clearly with full name)

Comb, brush, toothbrush, toothpaste, dental floss, deodorant, shampoo, conditioner, liquid body soap, insect repellent, sunscreen

OTHER

- 1 pair flip flops/crocs for beach or pool only
- 2 pair sneakers
- 2 hats with brim
- 3 standard size towels
- 3 standard size beach towels
- 4 washcloths
- 1 shower caddy
- 1 wide-toothed comb (Girls)
- 1 comforter or 3 cot-sized blankets
- 1 pillow – 2 cases
- 4 twin or cot size sheets (2 flat & 2 fitted)
- 1 sleeping bag
- 1 flashlight
- 1 liter water bottle **(required)**
- 1 daypack
- 1 Crazy Creek chair **(suggested)**

PURCHASING CAMP CLOTHING

The purchasing of Camp Walt Whitman clothing through Camp Spot is completely optional for CITs. There is no longer a requirement to purchase two green CWW t-shirts. Should you place an order, please allow 3 weeks for delivery.

Even though your child is a CIT, PLEASE MAKE SURE YOU LABEL EVERYTHING. Our CITs are as guilty as our campers of leaving their personal items all around camp.

NAME TAPES AND LABELS

Name Tapes and Labels:

All clothing and possessions, including sports and camping equipment and footwear, must be labeled with the **camper's first and last name**. Labeling clothes and personal items with initials or first names is not sufficient as many campers share initials and have the same first name. We recommend the following options:

- **The Camp Spot** - www.thecampspot.com
Our official camp supplier, also sells name tapes.

- **Label Daddy** - www.labeldaddy.com

Not only is their quality excellent, but if you use the promotional code **morryscamp** which is set-up for Walt Whitman families, 25% of your purchase will be donated to Morry's Camp.

CIT VISITING DAYS

Friday, July 24 and Saturday, July 25, 2020

While CIT parents can choose an alternative date to visit if it is more convenient, most CIT parents will visit on our Visiting Day, Saturday, July 25th. What is different about CIT visiting day is that many CIT parents will arrive on the afternoon of Friday, July 24th and take their child out of camp for the afternoon and evening. While some CITs will return to camp on Friday night, many will spend the night with their parents and return to camp Saturday morning by 10 AM. Our CIT Director will reach out to you directly early in the summer to confirm your plans.

While CITs will be available to visit with you for most of the day on Saturday, our CITs will also each be scheduled to work about 1 hour on visiting day.

NO DOGS ALLOWED IN CAMP ON VISITING DAY – we appreciate your understanding.

PARKING

Our gates will open for parking on Visiting Day at 9:00am. All cars will be parked on the upper baseball field between 9:00am and 10:00am with only handicapped parking accessible in the main part of camp. Coffee and snacks will be served between 9:00am and 10:00am, at which time all parents will be permitted to walk the 2/10 mile into the center of camp. Since everyone will be parked in the same general area no matter when they arrive, and everyone will be permitted into camp at the same time, there is no need to rush to camp “to get an early place in line.”

ANNUAL CWW SIBLING SLEEPOVER

Saturday night of Visiting Day, brothers and sisters entering 2nd, 3rd, or 4th grades in September 2020 are invited to sleepover at camp. They will enjoy our traditional Saturday night barbeque, have a specially planned evening with lots of games and fun, and then sleep in their brother's or sister's cabin or with a specially chosen “Big Brother or Big Sister” (we have to keep boys with boys and girls with girls). If your camper is in Upper or Senior Camp, his/her sibling will be assigned to an age appropriate younger camper for the sleepover. At 8:30am on Sunday morning, parents return to camp and meet their children at our Pavilion. From the Pavilion you will take your younger child home with you, and, after saying goodbye to your camper, he/she will rejoin his/her cabin for their 9:10am activity.

TIME SPENT OUT OF CAMP

HAWAII TRIP

As you are aware, this summer our CITs will enjoy a 10 day community service trip to Hawaii. This trip will provide a combination of CIT training, adventure and 25 hours of community service. We have again partnered with West Coast Connection, the premier teen travel program in the US, to lead our CIT trip along with 3 members from our CWW staff. The trip will take place from July 7 through July 16. Not only will the trip involve community service, our CITs will get to enjoy surfing lessons, hula lessons, a Hawain Luau, a Catamaran cruise, tours of Pearl Harbor and the USS Arizona, a trip on Atlantis Submarine and more.

We will send detailed information about the itinerary and any additional packing items for this trip in the coming months.

OTHER TIME SPENT OUT OF CAMP

With the demands of the CIT workload and associated increased responsibility levels while in camp, just like our staff, our CITs are provided with time off throughout the summer. Each week the CITs will enjoy a night out as a group which might include a movie, miniature golf or similar excursion. Additionally, CITs have a day off each week during which they might travel as a group to Burlington, Boston, Hanover, Six Flags, etc. During days off and nights out, camp covers all associated costs. However, CITs like to have additional money which they might utilize to purchase mementos on these excursions - this is what your child's "camper bank" is used for.

On all of these trips out of camp our CITs are accompanied by our CIT Director and/or Assistant CIT Director.

OTHER IMPORTANT CIT INFORMATION

INTENSIVE TENNIS

CITs who would like to participate in Intensive Tennis with Dave Porter are welcome to sign up.

LIFEGUARD TRAINING

For those CITs who are interested, we will offer the opportunity to receive lifeguard certification. This training will take place during the first week of camp before CITs depart for Hawaii and is performed by an outside contractor who comes to camp for this time period. This is a "real" lifeguard training class and therefore not everyone will automatically pass the class.

CIT BEHAVIOR CONTRACT

Please see the CIT behavior contract on the inside back cover of this booklet. While our CITs have additional freedoms than they had as campers, we still have a strict behavior contract that we expect all CITs to abide by. While these may not be the same rules that are required of CITs when they are at home, these rules are not negotiable. This behavior contract will be found in CampInTouch. Please make sure you review this information with your child, make sure both you and your child sign it, and then upload it to CampInTouch.

CIT BEHAVIOR CONTRACT

As a CIT at Camp Walt Whitman I will take responsibility for my actions and adhere to these policies of camp. This contract applies to my behavior both in camp and out of camp:

- 1. POSSESSION OF ALCOHOL, TOBACCO AND DRUG SUBSTANCES OR PARAPHERNALIA:** While in camp or out of camp, possession, distribution or use of alcohol, tobacco (cigarettes, e-cigarettes, Juules, vaporizers of any kind, chewing tobacco, etc.), drugs and/or drug paraphernalia, is prohibited. We have a 'ZERO TOLERANCE POLICY' on this issue. Visual observation need not be necessary for immediate dismissal if there is enough evidence to corroborate that these risk-taking behaviors have occurred. Additionally, CITs may not bring locked cases, lockboxes and/or locked containers to camp.
- 2. ELECTRONIC DEVICES:** Cell phones **are** permitted for CITs at camp and may be used in Counselor's Kitchen for internet access, while working out, in the CIT cabin, or when out of camp. Neither the phone itself, nor contents of the cell phone are to be shared with campers. Content containing pornography is forbidden.
- 3. PERSONAL RELATIONSHIPS:** In regard to interpersonal relationships, on or off camp, we expect CITs to refrain from inappropriate public displays of affection and/or sexual behavior. CITs are not allowed to visit the bunk, hotel room, tent or other living quarter of the opposite gender while in camp or out of camp, without the permission of the CIT Director. Physical and/or romantic relationships between a CIT and a staff member are strictly forbidden.
- 4. RESPECTING OTHERS:** Pushing, kicking, hitting, fighting or any form of physical or emotional abuse directed towards campers, staff, or other CITs are not acceptable and will not be tolerated. In addition, CITs agree to respect the property of other CITs, staff members, and camp. Stealing, property damage, and vandalism are prohibited.
- 5. PARTICIPATION:** CITs are expected to fully participate in all scheduled CIT activities as well as the activities of their assigned cabins.
- 6. DEPARTURE FROM CAMP:** CITs will only leave camp with the CIT Director/Assistant Director or with their express permission.

Acknowledgement of Contract

We recognize that these guidelines are for the protection and benefit of all CITs and our camp community. Our signatures below indicate that we have read and accept the guidelines. We do understand that any breach of these guidelines will result in consequences up to and including immediate dismissal from Camp Walt Whitman.
