

APRIL 2026

WALT STREET JOURNAL

Welcome to Camp Walt Whitman 2026

April is here and it's time to start thinking about what you are bringing to camp! We have a wonderful packing list to help guide you along the way. You can find the packing list in our CWW Staff Prep guide or on your forms dashboard. Don't forget to bring a rain jacket! We are in the mountains and we will have rain at some point this summer. If you are a cabin counselor, remember that you also will need a good pair of hiking boots!

LAST MONTH TO COMPLETE YOUR FORMS

A reminder that **ALL FORMS ARE DUE BY MAY 1st**

This is your last month to complete all of your forms! In total completing everything should take you less than an hour.

Our challenge to you is to schedule 30 minutes before April 15th to see how many forms you can get done! For each form submitted before April 15th, your name will be entered into a raffle for a big prize at camp!

If you know you won't be able to complete your staff physical or your police background check by May 1st, please get in touch with Matt to let him know.

If you are an International staff member not currently living in the United States you cannot work with us without a Police Background Check. We must receive this before you arrive at camp!
